

Press Kit Biography:

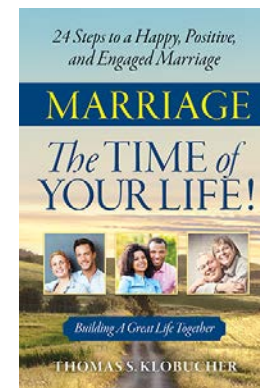

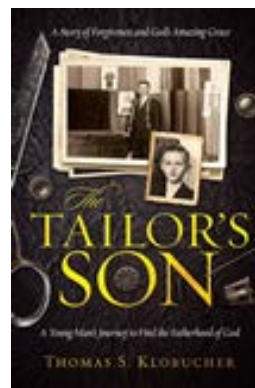

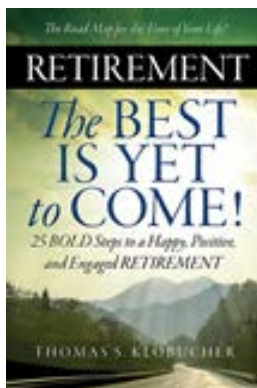

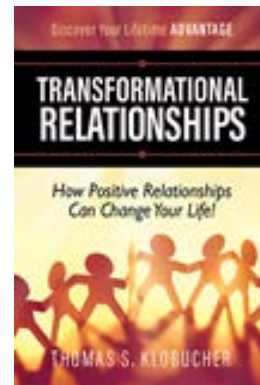

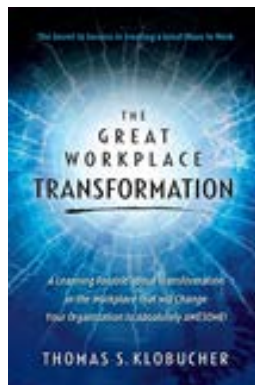

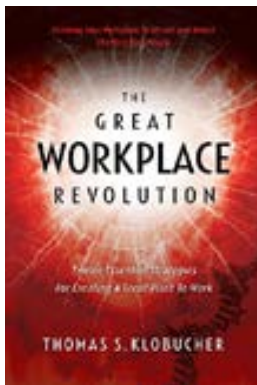

Tom Klobucher

Thomas S. Klobucher, aka Tom, is a future based Entrepreneur, Author, Speaker, and CEO of Thomas Interior Systems, Inc., a Chicago area office planning and furnishings firm that he founded in 1977 with the corporate vision to "Improve The Office Work Environment".

As a six-time winner of the 'Top Twenty Best Places To Work In Illinois', the Thomas team has advised and assisted well over 25,000 organizations through-out the Chicago area and the Midwest, in improving their office work environments by helping them to create great places to work for their people.

Creating a great place to work is not just about buying office furniture, it is all about TRANSFORMATION. We are in the transformation business! Helping businesses and organizations to transform their workplaces into EPIC GREAT PLACES TO WORK. Engaged workplaces where the employees are number one! We help create a priceless collaborative environment where employees are fully engaged and happy, and always put the customer first! This is transformation! This is what we do!
